Kigali	0	0	0	0	0	0	0
Sarajevo	0	0	0	1	0	0	1

Confirmed COVID-19 amongst IRMC
per duty station over time

¹ The data included in this file concerns confirmed COVID-19 cases amongst IRMCT staff members and Principals only. It does not include cases amongst staff's household members or amongst non-staff such as interns, defence teams, witnesses or judges other than the President.

² Currently infected is defined as being infectious; recuperating is defined as no longer being infectious but due to residual symptoms (e.g. fatigue) not well enough to return to work.

³ Recovered is defined as no longer being infectious and being well enough to return to work.
