

# IRMCT | Confirmed COVID-19 figures<sup>1</sup> – 12 November 2021

12 Nov 21	Currently confirmed infected or recuperating <sup>2</sup>			Recovered <sup>3</sup>		Deaths	Total
	Not hospitalized	Hospitalized	Released from hospital	Never hospitalized	Was hospitalized		
The Hague	3	0	0	23	1	0	27
Arusha	0	0	0	9	6	2	17
Kigali	0	0	0	1	0	0	1
Sarajevo	0	0	0	1	0	0	1

<sup>1</sup> The data included in this file concerns confirmed COVID-19 cases amongst IRMCT staff members and Principals only. It does not include cases amongst staff's household members or amongst non-staff such as interns, defence teams, accused, witnesses or judges other than the President.

<sup>2</sup> Currently infected is defined as being infectious; recuperating is defined as no longer being infectious but due to residual symptoms (e.g. fatigue) not well enough to return to work.

<sup>3</sup> Recovered is defined as no longer being infectious and being well enough to return to work.
